1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I also use Lake Wylie for recreation activity while visiting my children.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am against ANY increase to TCWS at this time. My daughter is getting charged more than double my water bill in Florida and my water is shipped in from Lake Lanier, GA. It is disgusting to see broken sewage pipes dripping into the lake. While visiting last year one of the neighbors had to call the police for help with a broken sewage line in the yard as TCWS would not help. They are destroyong the lake and the neighborhood values by not maintaining the systems. TCWS keeps asking for increases sightng upgrades and just blows the money. They don't deserve another penny!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

No I am unable to come up.
